

PARKWAY PTA

www.parkwayschoolpta.org

Dear Parkway Families,

Welcome to an exciting year with the Parkway PTA. There are so many wonderful events planned for the 2011-2012 school year. PTA always strives to bring enrichment and fun into our children's school days with programs that enhance the curriculum. We ask you to join us in this endeavor.

At this time we are conducting our annual membership drive. Your membership dues of just \$8.00 will help provide many Arts In Education programs as well as other events for our children and staff members. Your dues will also help us lend financial support to the state and federal PTA organizations that voice our concerns to our representatives. We are our children's advocates. PTA makes sure that our issues are addressed.

Our goal for Parkway PTA Membership is 100%. Please complete the bottom portion of this letter and return it with a check for \$8.00 payable to **PARKWAY PTA** in an envelope marked **PTA Membership**. Each school has its own PTA; therefore membership is separate for each school in our district. Families with more than one child at Parkway need only join once.

Please visit our website for information on PTA related events.

Thank you for your support!!

Membership Chairperson
